BV EI 305 2052

size 5 a: 29.8 mm high	3.0 VA	**ta 40/F**	BV EI 305 ...

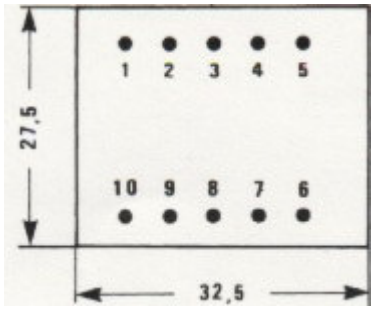

The transformers EI 30 of class F.

More customers´ benefit from high quality and more than 30 years of experience in building transformers.

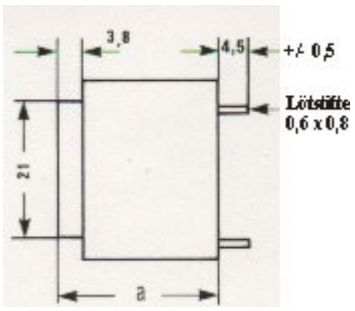

minimum size
ENEC 10-, VDE-, and CSA certificate
vacuum casted, two chambers
temperature class ta 70/B, ta 40/F through ta 70/F
maximum safety and durability
individually tested with certificate
excellent function at thermal changes
self-extinguishing casting material
