BV EI 301 2824

size 1 a: height 15.2 mm	0.5 VA	**ta 70/F**	BV EI 301 ...

EI 30 transformers class F.

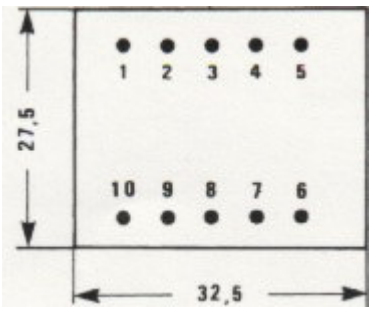

More customers´ benefit from high quality and more than 30 years of experience in building transformers.

minimum size
with ENEC 10-, VDE-, and CSA certificate
vacuum casted, two chambers
temperature class ta 70/B, ta 40/F to ta 70/F
maximum safety and durability
individually tested with certificate
excellent function at thermal changes
self-extinguishing casting material
